RE: Letter of Intent - Interest in serving on the Board of Directors, CU Answers

Thomas and Scott, enclosed is my resume to express my interest in serving on the board of directors for CU Answers.

In reviewing my resume you will see that I am very engaged statewide and nationally. I have strong networking skills with my current roles as Wisconsin League Board Chair as well as Corporate Central Board chair. This gives me tremendous perspective as to how credit unions are thinking and what their needs are.

I look forward to hearing more about the process and I am excited to potentially serve!
