

USING ZOOM TO ATTEND THE CU*ANSWERS 2020 ANNUAL ELECTION

CU*Answers will be hosting our Annual Meeting virtually on Wednesday, June 17, 2020 at 4:30 PM ET. This year's Annual Stockholder Meeting will be different from previous years, as it will be held via a webinar using the Zoom application. Attendees can connect via computer or phone.

In an effort to secure this year's stockholders meeting and ensure a good experience for all participants, we be taking the following steps:

- Attendees must register in advance for the webinar. Attendees who attempting to join the meeting without registering beforehand may be denied by the host.
- Registered attendees will receive an email with registration details, including an encrypted password. This link will not be posted anywhere on a public website.
- We'll be using webinar option in Zoom, so participants will be muted automatically and web cameras will be deactivated. Participants may use the chat function if they wish to make a comment directly to the meeting host, but chat will not be allowed between participants.

To register for the Zoom session for this year's election, [click here](#). On the registration page, you will be asked to include your name, email address, organization and job title. (If you have not previously used Zoom before, you will be asked to set up a new profile.)
