Dear CU*Answers Nominating Committee,

Please accept my letter and attached resume as my official letter of intent for re-election to the CUA Board of Directors. I was nominated in Jan 2024 to fill an open seat on the Board and would like to continue my role in serving all credit unions that are a part of our Cooperative. I am asking for your support in re-election and would like to be placed on the ballot in 2024.

As one of the first (2) Associate BOD Members serving the CUSO starting in 2019, I am excited and honored for the chance to continue to serve and represent all CU*Answers CUs. Being an Associate Board Member for almost 5 years, gave me a direct relationship with the CU*Answers Executive team, and Board Members. I attended all BOD meetings and events, learning and contributing; preparing for the day that I may serve in a full Board of Director capacity. I also served on the personnel committee, at a time when CU*Answers faced a CEO retirement and the opportunity to find and hire the CEO to take the CUSO well into the future.

I am a new voice to the CUSO Board of Directors. I am the President of Public Service CU, a small credit union, serving since 2004, and an CU*Answers Owner since 2011. I have a voice on the CU*Answers Board of Directors, and I would like to continue to use my voice to strategize, share, inspire, and ensure the Board of Directors best represent the member owners and the CUSO. I look forward to another term, representing all credit unions in the CUSO, representing their voices in the BOD room. Thank you in advance for your consideration.

Respectfully submitted,
